

Individual and Family Collaboration Domain – Group Discussion Prompts

Group discussion of each of the domains in the ESTA will assist organizations to further examine the domain. *During discussion, consider potential actions that may be undertaken to make further progress in the transformation process.*

- Discuss activities undertaken to engage with individuals and families.
- Discuss the experiences that have occurred when working with program individuals and their families regarding the transformation — consider all efforts in clarifying the transformation process and responding to questions and concerns, as well as the agency capacity to offer/access additional supports and resources
- Discuss process being used for individualized assessment and service plan development, including any challenges in implementing the individual’s desired services plan and actions to address these challenges
- Describe agency activities related to developing Peer Mentor resources and activities – have any Peer Mentors been developed? Does the agency work with a self-advocacy group?
